Welcome to Escuela Popular!

Whether you are a new student or a returning adult student, we are so happy you have made the decision to attend Escuela Popular High School. Our school mission statement is “Education transforms lives,” and so we like to say that our adult students are on a journey of transformation here at Escuela Popular.

We have a great academic program here at Escuela Popular. Our experienced teachers are knowledgeable and caring. Our staff is helpful and supportive. Our curriculum will prepare you for your college and career goals. When you come to Escuela Popular, you will find not just a school but a supportive community and a safe place for you to learn and grow and prosper.

¡Sí se puede! Coming to school every day to learn is a tremendous challenge, especially when one is also a working adult and/or taking care of family. Escuela Popular will help you to stay focused, determined, and motivated to stay on this path that you have begun. Our beloved founder Maestra Lidia Reguerin taught us to dream, to value every member of our community, and to believe our world is beautiful. Escuela Popular gives our students the opportunity to pursue their dreams and be positively transformed through education.

We truly believe every student at Escuela Popular has the potential to succeed. Our major role as principals is to empower and guide our students to a world of possibilities. Do not hesitate to reach out to us if you have any questions or concerns, or if you just want to chat. We love meeting and talking with all of our Escuela Popular adult students!

The Chinese philosopher Lao-Tzu once said, “The journey of a thousand miles begins with one step.” Deciding to come to Escuela Popular is your first step. Keep taking steps on your educational journey, and you too can be empowered to dream big and reach all of your goals. We are with you all the way.

Sincerely,
